(vi) Institutional set-up for liquidity risk management

The Board of Directors of the Company has constituted the Asset Liability Management Committee and the Risk Management Committee.

The Asset Liability Management Committee (ALCO)/ Risk Management Committee, inter alia –

Implement and administer guidelines on Asset-Liability Management approved by the board and revisions, if any;

Monitor the asset liability gap and overcome the asset-liability mismatches, interest risk exposure, etc.; strategize action to mitigate risk associated with the asset liability gap;

Develop risk policies and procedures and verify adherence to various risk parameters and prudential limits; review the risk monitoring system and ensure effective risk management; and

The Company has a contingency funding plan in place to ensure various liquidity parameters are defined and tracked regularly. ALCO is provided with update on expected liquidity position in normal as well as stress scenario.

The Company has ensured maintenance of liquidity in the form of mutual funds and liquid fixed deposits with banks, etc. These assets carry minimal credit risk and can be liquidated in a very short period of time. A comfortable liquidity cushion is maintained of the borrowings. These would take care of immediate obligations while continuing to honour our commitments as a going concern.

There are available lines of credit from banks/FIs which are drawable on notice which further augment the available sources of funds.
