## SLOWING DOWN

# Fuel consumption shows almost no growth in Dec

PRESS TRUST OF INDIA New Delhi, January 11

INDIA'S FUEL CONSUMP-**TION** showed flattish growth in December 2021 ahead of fresh restrictions kicking in to control the surge of a new variant of coronavirus that is likely to further dampen demand, according to official data released on Tuesday.

Total petroleum product consumption in December 2021 stood at 18.43 million tonne, compared with 18.36 million tonne in the same month last year. This after a rise in demand for transport fuel was negated by a fall in industrial fuel.

The consumption was 7.6% higher month-onmonth but was still 2.7 per cent lower than pre-COVID-19 levels of 2019, according to the data released by the oil ministry's Petroleum Planning and Analysis Cell (PPAC).

As the economy continued to rebound from the deep impact of the second wave, transport fuel demand rose in December.

Diesel, the most used fuel in the country accounting for almost 40% of all petroleum product consumption, rose 1.5 per cent year-on-year to 7.305 million tonne and was near pre-Covid-19 demand of 7.387 million tonne in December 2019.

Petrol sales, which crossed the pre-Covid-19 level a few months ago, climbed four per cent to 2.81 million tonne in

The demand for fuel, most used in cars and two-wheelers. stood at 2.47 million tonne in December 2019.

Increased travel during the holiday season is said to have contributed to the rise.

With increased air travel, aviation turbine fuel (ATF) posted a 29% growth in consumption to 5,52,000 tonne but it was lower than 7,29,000

Cooking gas LPG consumption fell almost two per cent to 2.4 million tonne. This is largely because consumption in December 2020 was higher on the back of the free cylinders that the government gave to the poor to tide over the hardships of the pandemic.

Yet, the demand in December 2020 was higher than the pre-Covid-19 level as LPG sales in December 2019 was 2.35 million tonne, the data showed.

# appointed as vice-president

FORMER RBI GOVERNOR Urjit Patel was on Tuesday

appointed as vice president for investment operations in South Asia at the Beijing-based Asian Infrastructure Investment Bank (AIIB), replacing former bureaucrat from

Gujarat, D J Pandian. The appointment of Patel will be effective from February 1, AIIB said in a statement.

**Urjit Patel** 

of AIIB

He succeeds D Jagatheesa Pandian, a Gujarat cadre IAS officer who retired as chief secretary of the state six years back. He was head of the Gujarat State Petroleum Corp (GSPC) when Narendra Modi was the chief minister of Gujarat.

"AIIB's Board of Directors has appointed Dr Urjit Patel to the position of Vice President for Investment Operations Region 1 - South Asia, the Pacific Islands and South East Asia," the statement said. Patel, 58, was the 24th gov-

ernor of the Reserve Bank of India (RBI), succeeding Raghuram Rajan on September 5, 2016. Patel had abruptly resigned in December 2018 citing "personal reasons". AIIB is a multilateral development bank that aims to improve economic and social outcomes in Asia. The bank currently has 104 members, including 17 prospective members from around the world.
